AMR Program Staff 3rd Quarter Highlights (August 2010 – October 2010)

Executive Director and General Staff Highlights

- Chosen to receive the PEC's first ever 40 Under 40 Environmental Award
- Conducted a speaking engagement with Penn Future and was interviewed along with VISTA for 105 The River's Community Forum show.
- Provided letters of support for 2 organizations submitting grants, 2 for the Beneficial use of coal ash for abandoned mine reclamation, 1 Public Comment document response letter for the US EPA draft Chesapeake Bay TMDL and the draft PA DEP Watershed Implementation Plan, and signed on to a plea to the State Senate to finish the job on the severance tax.
- Highland Manor Care signed-off on the Hicks Creek AML NSCD Project, the largest of the landowners adjacent to the project area.
- EPCAMR Board approved funding 3 organizations with funds towards their projects in the Region under the ARIPPA donation of \$10,000 to each of the Coalitions.
- Submitted 2 proposals to PPL's Project Earth Environmental Education Grants Program. Awards up to \$5,000 to schools for projects that enhance established classroom curricula and academic standards.
- Partnered with Marywood University Senior Graphic Design students who offered to provide free "marketing" services as a part of their class project to help local non-profits. Applied for a \$1000 grant to support the printing costs of large format posters from the Office Depot Fdn.
- EPCAMR staff prepared 2 proposals for professional services to the Earth Conservancy to establish a baseline water quality monitoring program to determine the improvements after AMD Treatment System installation at the Askam Borehole (~\$7K) and Espy Run Revamp(~\$2.5K) both in the Nanticoke Creek watershed
- Received EPCAMR's \$5000 PA Fish & Boat Commission grant to conduct an Aquatic Resources Education and Outreach Program in the Wyoming Valley
- EPCAMR staff completed the "Abandoned Mine Drainage: an Epic Tale" publication, attended a video shoot & screened a draft video of the AMD Formation EE 319 Directive.
- EPCAMR staff attended the Annual EPCAMR Board Mtg. and Strategic Planning Session, ARIPPA Awards Luncheon; Participated the JMRC Conference call, a TIPS earthVision Training, TMDL Clean Water Briefing Meeting, hosted a NAAML P site tour, setup at Chalk Fest, hosted 3 AMD site tours, and 2 EE events.

Robert Hughes

Full Monthly Reports for all staff are available online for your review

Program Manager's Highlights

- Submitted and received a grant for free webhosting thru HostGator.com, reviewed proposals for member organizations & provided 5 letters of support for organizations submitting grants
- Sampled 5 discharges and sampled 2 in-stream sites, certified 1 VISTA in water monitoring & sampled water levels in 15 boreholes (2x). Added sampling information to datashed.org
- Transferred www.orangewaternetwork.org to www.epcamr.org and reformatted homepage. New "green" and free webhosting. Updated EPCAMR's Facebook Fan Page and started one for the HBPS. Helped update www.huberbreaker.org
- Started a new webhosting service to partner organizations to bring in some administrative funding
- Conducted 2 RAMLIS Investigations and continued distribution of RAMLIS version 10; Georeferenced 3 maps, updated 2 layers and metadata for 5 layers related to the Mine Pool Mapping Program. Created 4 maps, georeferenced 5 maps and updated 2 GIS database for partners and taught 12 VISTAS to read Topo Maps at ACCWT Training,

Michael Hewitt

OSM/VISTA Watershed Community Development Coordinator' Highlights:

- Hosted a Community Service Project at Wilkes University for incoming RA's.
- Wrote and submitted a **\$2000** proposal to receive a Pepsi Refresh Grant for the Huber Breaker Preservation Society to finish payments and cover installation of the Miner's Monument. Assisted in editing HuberBreaker.org the EPCAMR.org websites.
- Began training with EPA's Watershed Academy online and attended Watershed Academy webinar on building network capacity.
- Composed new brochure to promote EPCAMR's environmental education programs.
- Attended Delaware and Lehigh National Heritage Corridor's monthly board meeting, a seminar and video on the Knox Mine Disaster, ACCWT's fall training, and the Lackawanna Coal Mine Tour at McDade Park, first direct experience in a coal mine.
- Initiated dialogue with Laurie Popeck of Stream Restoration Inc. about collaborating sales of iron oxide products through Clean Creek Products. Initiated contact with Professor John Lysak to experiment with iron oxide as a print making medium and a potential market for AMD sales.
- Initiated new partnership with Wilkes-Barre School District Science Coordinator, Mike Corcoran to develop new environmental education programs to underserved schools.
- Began designs and research backdrops for the AMD Avengers vs. Pollution Posse EE Comedy skits.
