## June 2009 Monthly Report

### Education and Outreach

- Hosted AMD tour throughout Luzerne County to show the William Penn Foundation some outstanding sources of pollution in the Chesapeake Watershed.
- Held an Iron Oxide Chalk program for fourth grade classes at John Marshall elementary.
- Ran an AMD tie-dye program at river fest and made over **60** shirts.

### Project Coordination

- Collected attendance fees, washed rain barrels, and assisted children participating our Iron oxide chalk program at the NE PA Energy Expo.
- Toured illegal dump sites taking pictures of refuse to provide photographs to help serve as a basis for funding.
- Moved Office equipment and supplies from old office at the Conservation District to new office.
- Finished renovation of new office located in Earth Conservancy Building.
- Visited Earth Conservancy's Wetlands in Dundee to collect Iron Oxide for future projects.

### Conferences and Trainings

- Met with Chris Gillis to hold a conference call with Bernie McGurl, Tom Kerr, and Tom Peace to discuss the future of the Old Forge Borehole project.
- Attended Pocono Northeast RC&D Council Meeting to discuss topics related to the NEPA Energy Expo.
- Joined the EPCAMR board for its third Quarter meeting.
